TALLY HO! – Let's chase foxes!

The band Delorian Cloud Fire ~~takes is a s~~Stepping p-out into the foreground after two short years of exxistence.

EP „Tally Ho!“ – out  
Oct 3 !

1st Single „Pound My Heart“

2n Single „Wide Awake“

Two brothers, two sisters, one woman of the world and a

drummer, present in this Autumn 2014, theirs debut EP Tally Ho!., Ffive songs— produced by Philippe Laffer and the one and only Thomas Rechberger, ~~and Philippe Laffer~~ and released byat Sophie Records.

But w—~~W~~hat has the fox to do with all of it, and why is he beingen chased?

The six young people wish ~~no evil to~~ the animal no evil. It's more about the six wanting to to suckabsorb in itsthe spirit ~~of the animal~~, become a fox themselves.

To fight the sterility of our society and instead look for earth, smoke and the dust of the openfree wilderness~~nature~~.

In wild alacrity the band is beating the drums, hitting the piano keys, drummingaged the basses and lifting ~~theired~~ voices.

Delorian Cloud Fire has set it's target,; to produce music,; which is timeless and accessable to everyoneall. Tally- Ho! releases ~~fires~~—the

fireworks with a ~~rockjumper~~cracker, ~~goes over~~transitioning into two  
classy ballades, and has ~~its~~his peak in an thrilling poporchestral, ~~leaving-~~  
~~The left~~ behind ~~is~~ a feeling of hope, and ~~a~~ passion to enjoy more of it.

Delorian Cloud Fire is ready to go the ~~full monty~~distance because they  
believe, that the future is bright and that it's worth ~~it~~ to bravely leave ~~the~~  
past behind.

Keep ~~them~~ in sight, take them into your heart – give this young and  
passionate ~~group~~ ~~blood~~ ~~your~~an ear. It's worth it.
