*Thought-Provoking Lyrics...Haunting Melodies...Unforgettable Voice*

Ella grew up with a colorful mix of music and culture. Since a few years the musician with roots in Europe and the Middle East now lives in Vevey Switzerland. She had been singing classical music since she was 9 years old, in the Israeli Conservatory in Tel Aviv.

She had also been writing her whole life. Scripts (when studying film making in the noted "Thelma Yellin" high school of the arts), short stories and poems.

It was only at the age of 20, when discovering the art of Leonard Cohen, Joni

Mitchell and Bob Dylan, that she understood she can combine both of her loves: music and writing.

She registered for music studies at the "Rimon school of Jazz and contemporary music", and soon started performing her songs on stage.

In 2011 She had been performing in Tel Aviv and all around Israel for a year, when she decided to move to a little town in the French part of Switzerland.

These days she is performing in Israel and Switzerland, and recording her first album called „**Mirror Maze**“ (Aug 2014), with the Bernese label "Sophie Records" and produced by Luk Zimmermann.

Ella is becoming increasingly known among quality music consumers for her thought-provoking lyrics, her haunting melodies and her unforgettable voice.
